

Story 1

Electricity Consumption by the S..	Electricity Consumption by the S..	Bar Plot for Total Electricity Consumpti..	Region wise plot clearly states Consu..	Bar plot defines the Top Consumption by t..	Bar plot defines the Bottom Consumption ..	Plot defines Monthwise ..
------------------------------------	------------------------------------	--	---	---	--	---------------------------

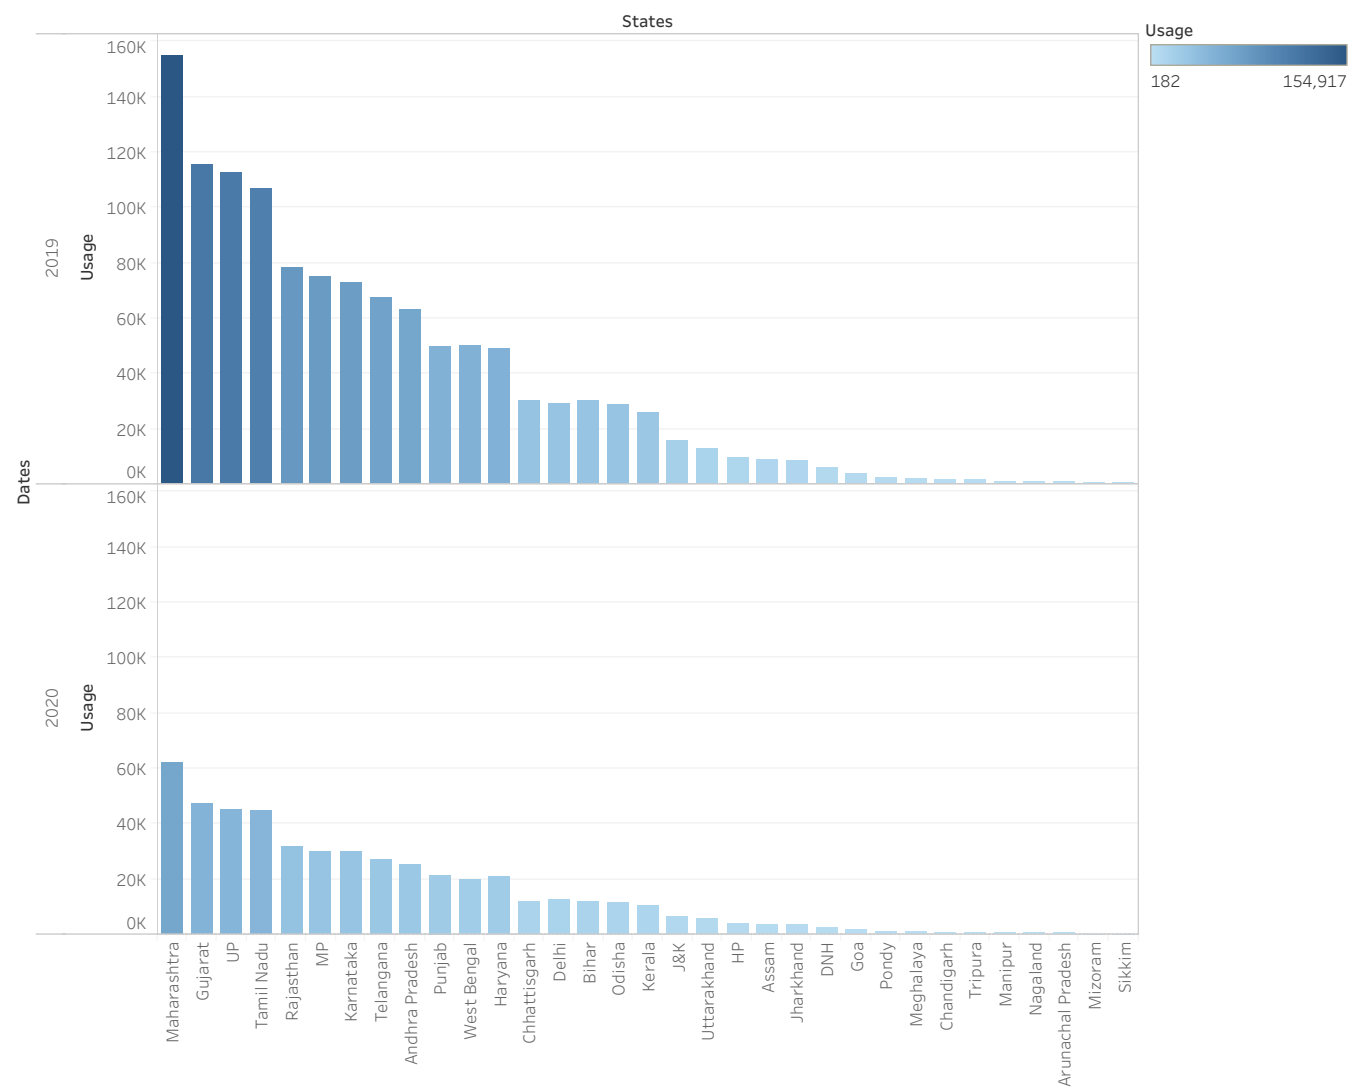

Story 1

Electricity Consumption by the S..	Electricity Consumption by the S..	Bar Plot for Total Electricity Consumpti..	Region wise plot clearly states Consu..	Bar plot defines the Top Consumption by t..	Bar plot defines the Bottom Consumption ..	Plot defines Monthwise ..
------------------------------------	------------------------------------	--	---	---	--	---------------------------

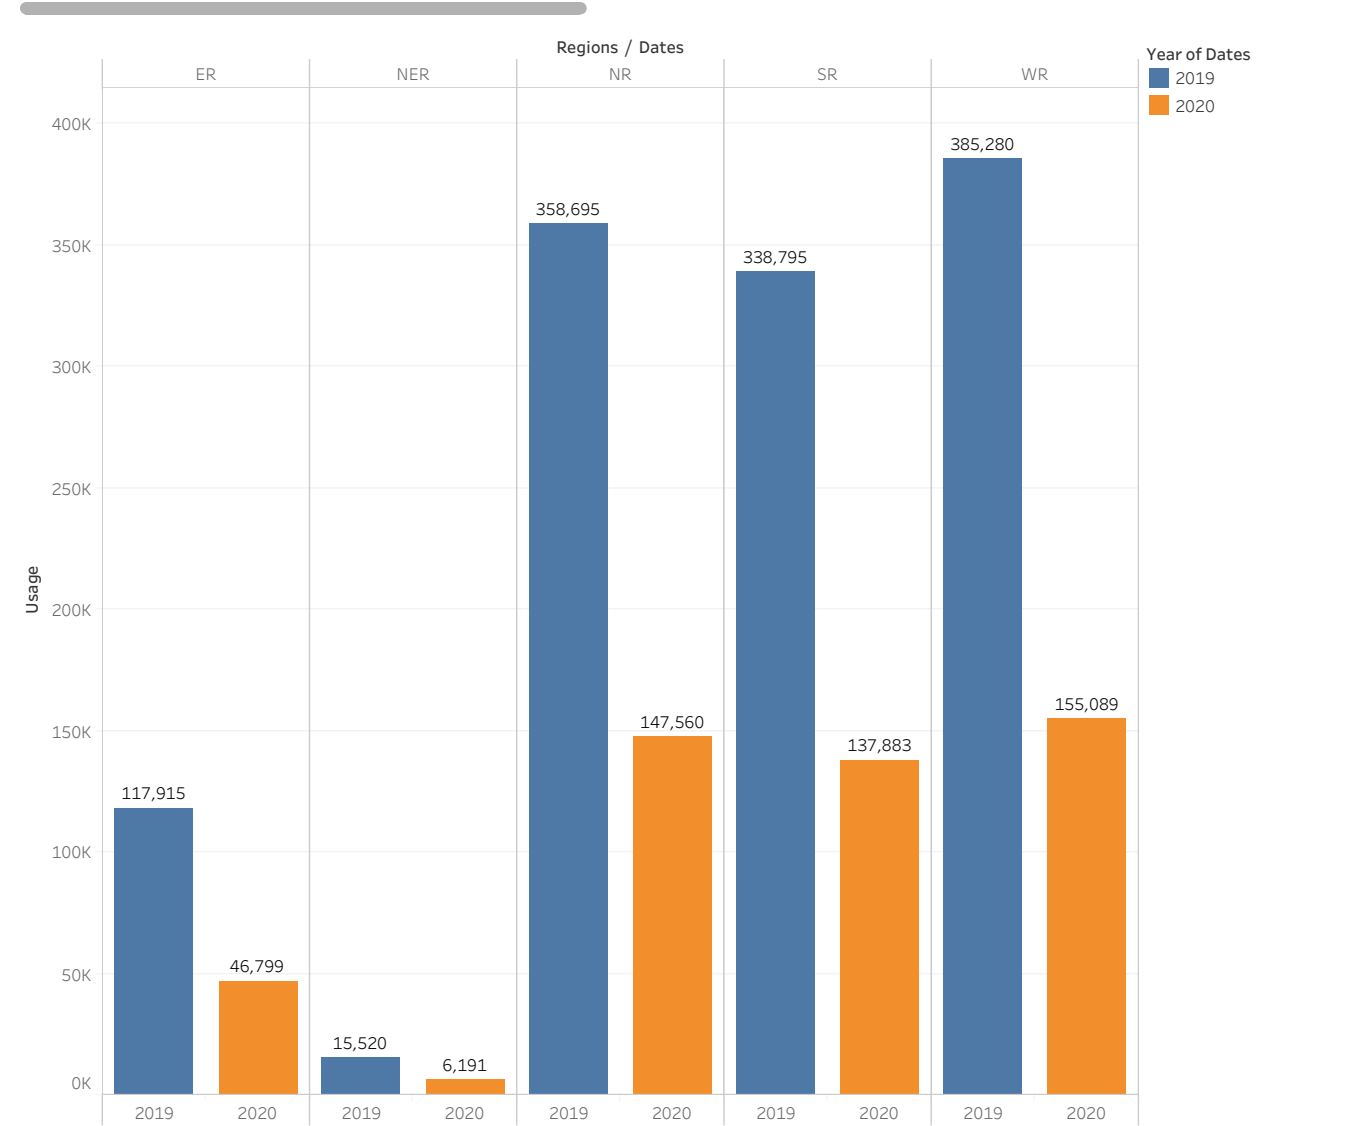

Story 1

Electricity Consumption by the S..	Electricity Consumption by the S..	Bar Plot for Total Electricity Consumpti..	Region wise plot clearly states Consu..	Bar plot defines the Top Consumption by t..	Bar plot defines the Bottom Consumption ..	Plot defines Monthwise ..
------------------------------------	------------------------------------	--	---	---	--	---------------------------

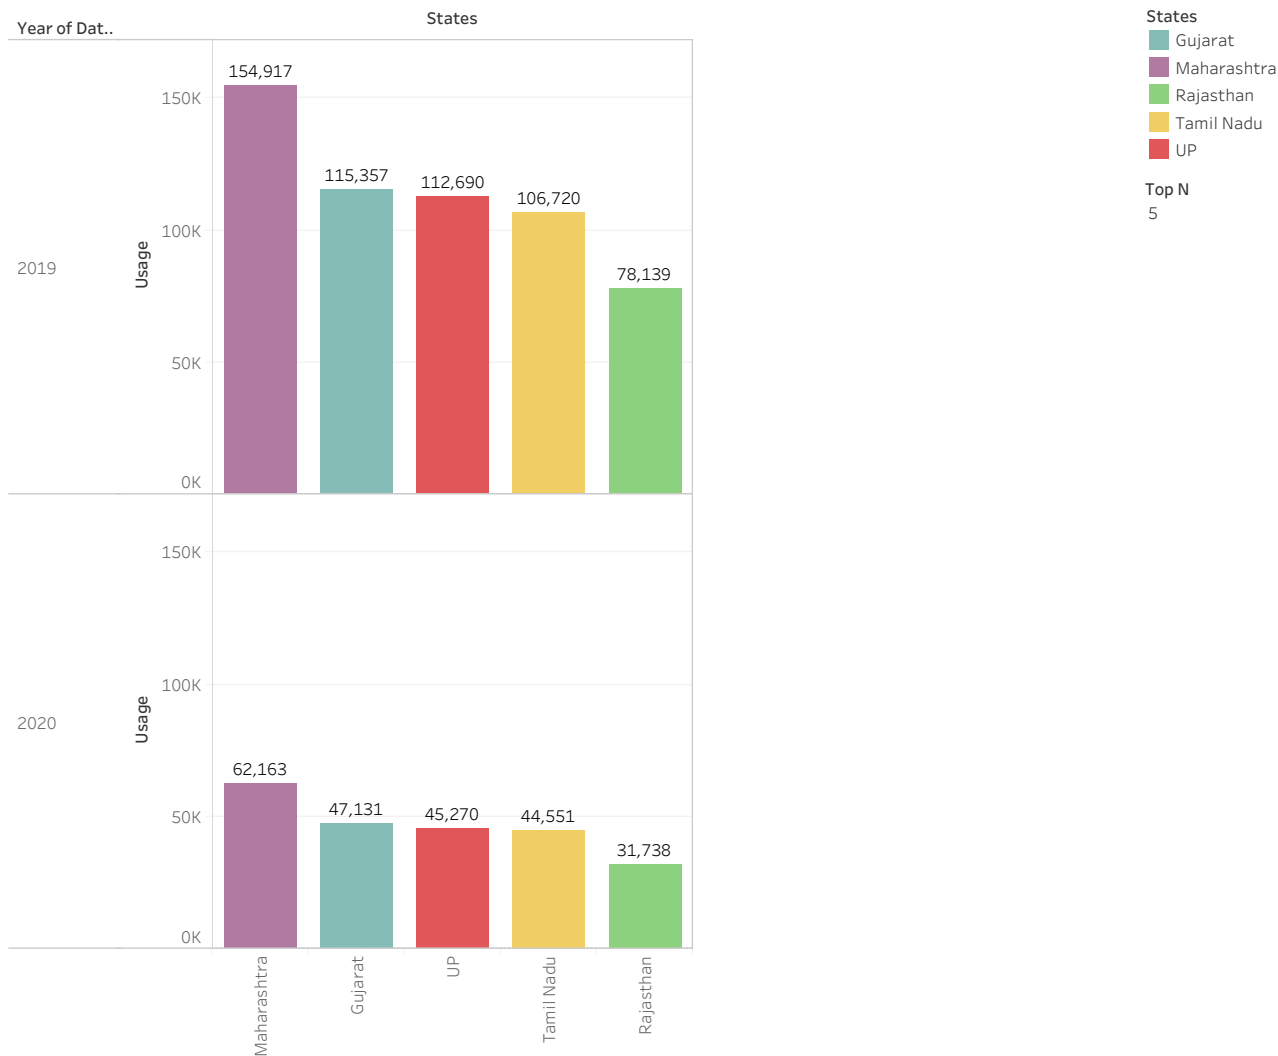

Story 1

Electricity Consumption by ..	Electricity Consumption by the S..	Bar Plot for Total Electricity Consumpti..	Region wise plot clearly states Consu..	Bar plot defines the Top Consumption by t..	Bar plot defines the Bottom Consumption ..	Plot defines Monthwise Consu..
-------------------------------	------------------------------------	--	---	---	--	--------------------------------

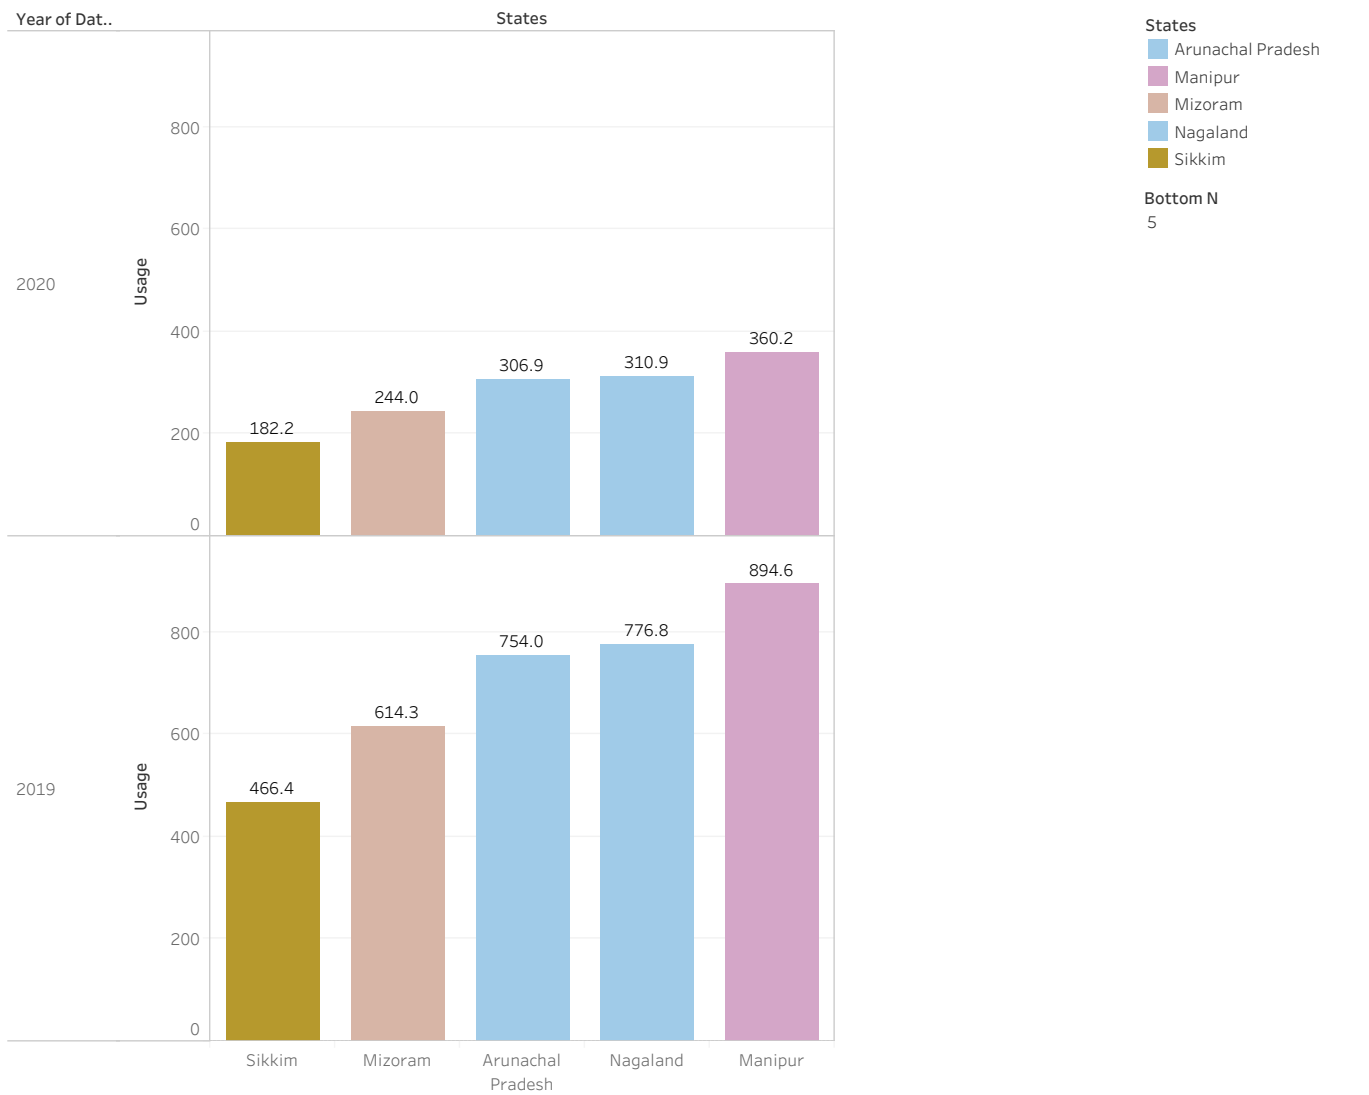

Story 1

Electricity Consumption by ..	Bar Plot for Total Electricity Consumpti..	Region wise plot clearly states Consu..	Bar plot defines the Top Consumption by t..	Bar plot defines the Bottom Consumption ..	Plot defines Monthwise Consumpt..	Plot defines Monthwise Consu..
-------------------------------	--	---	---	--	-----------------------------------	--------------------------------

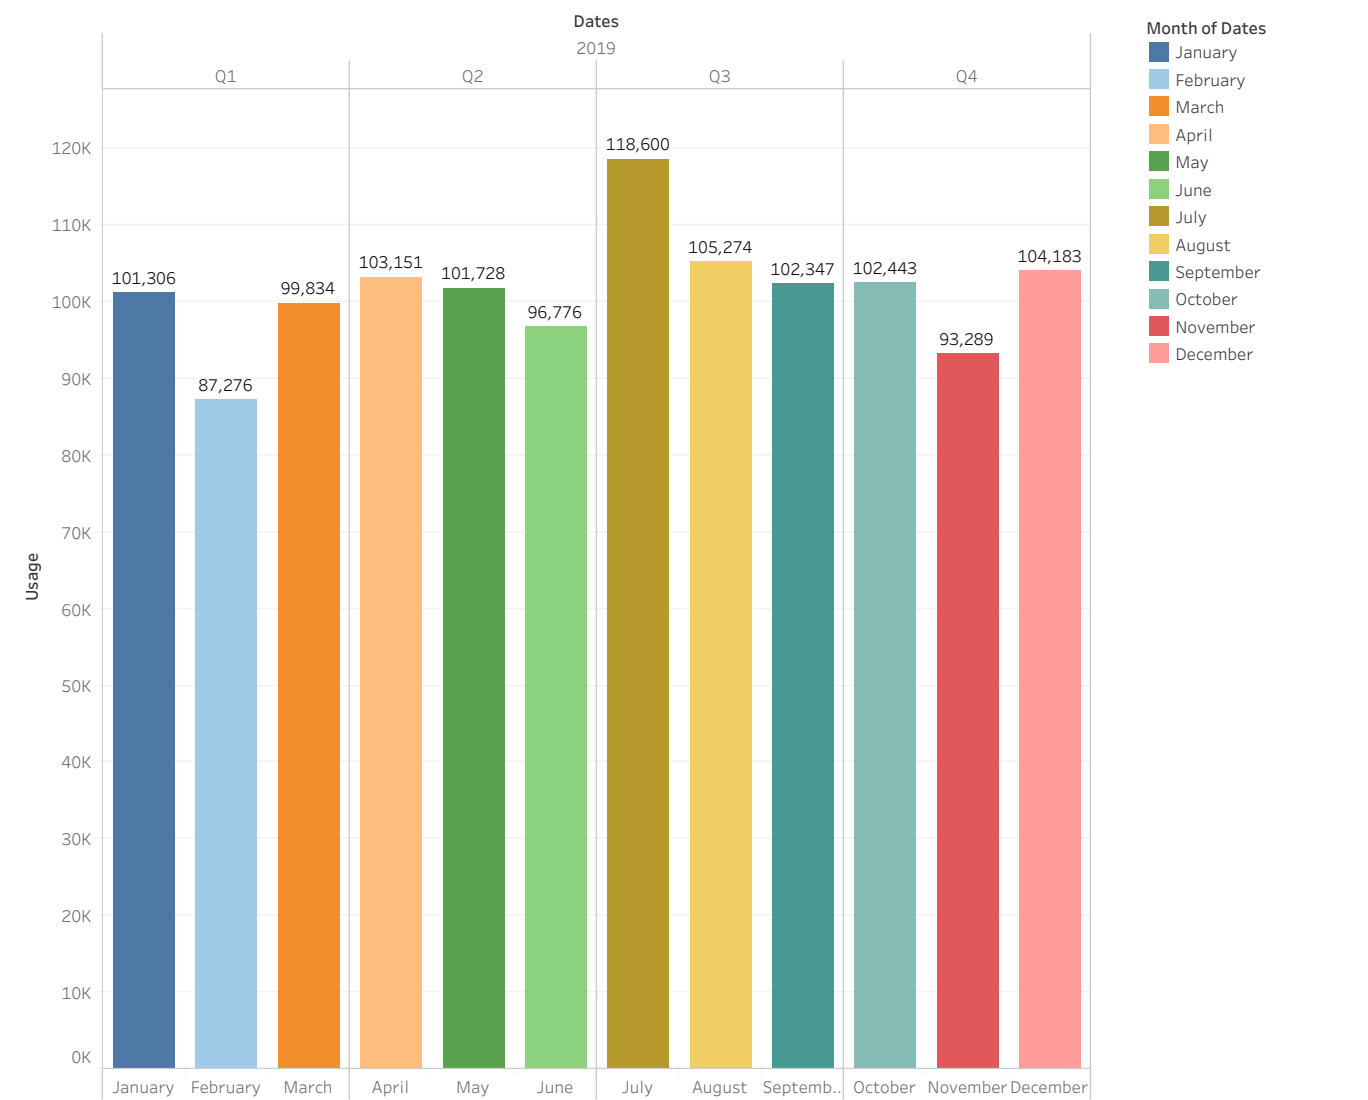

Story 1

Bar Plot for Total Electricity Consu..	Region wise plot clearly states Consu..	Bar plot defines the Top Consumption by t..	Bar plot defines the Bottom Consumption ..	Plot defines Monthwise Consumpt..	Plot defines Monthwise Consumpt..	Pi-Chart defines the Total Region Consu..
--	---	---	--	-----------------------------------	-----------------------------------	---

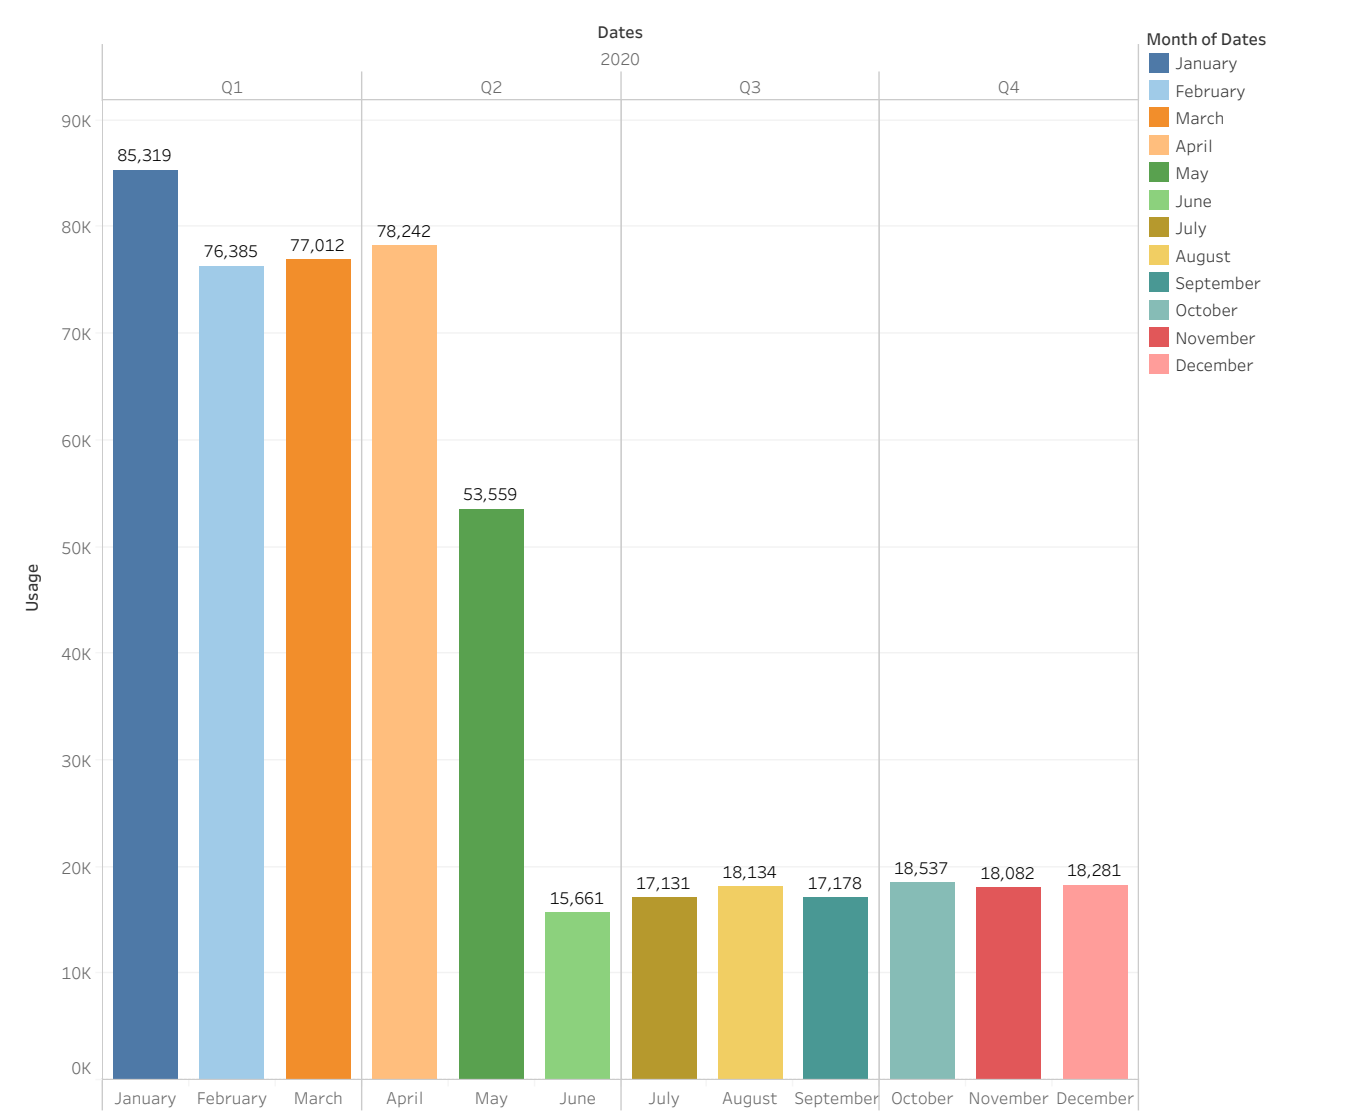

Story 1

Region wise plot clearly states Co..	Bar plot defines the Top Consumption by t..	Bar plot defines the Bottom Consumption ..	Plot defines Monthwise Consumpt..	Plot defines Monthwise Consumpt..	Pi-Chart defines the Total Region Consum..	Bar plot defines the Usage before & dur..
---	--	---	--------------------------------------	--------------------------------------	---	--

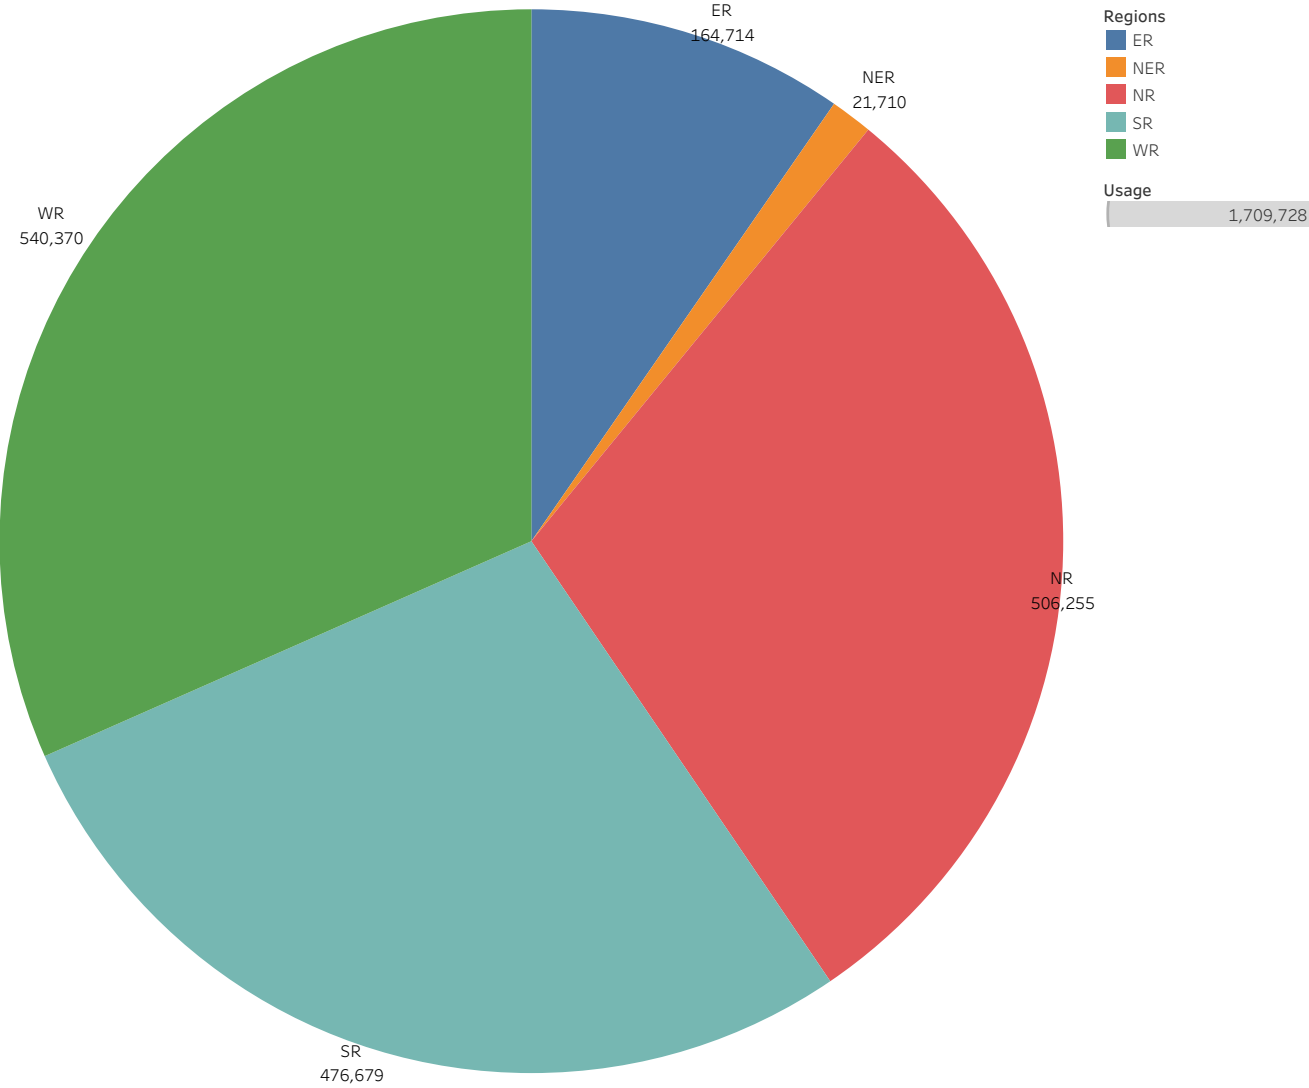

Story 1

Bar plot defines the Top Consum..	Bar plot defines the Bottom Consumption ..	Plot defines Monthwise Consumpt..	Plot defines Monthwise Consumpt..	Pi-Chart defines the Total Region Consum..	Bar plot defines the Usage before & durin..	List of Top 5 Indian States of Consump..
-----------------------------------	--	-----------------------------------	-----------------------------------	--	---	--

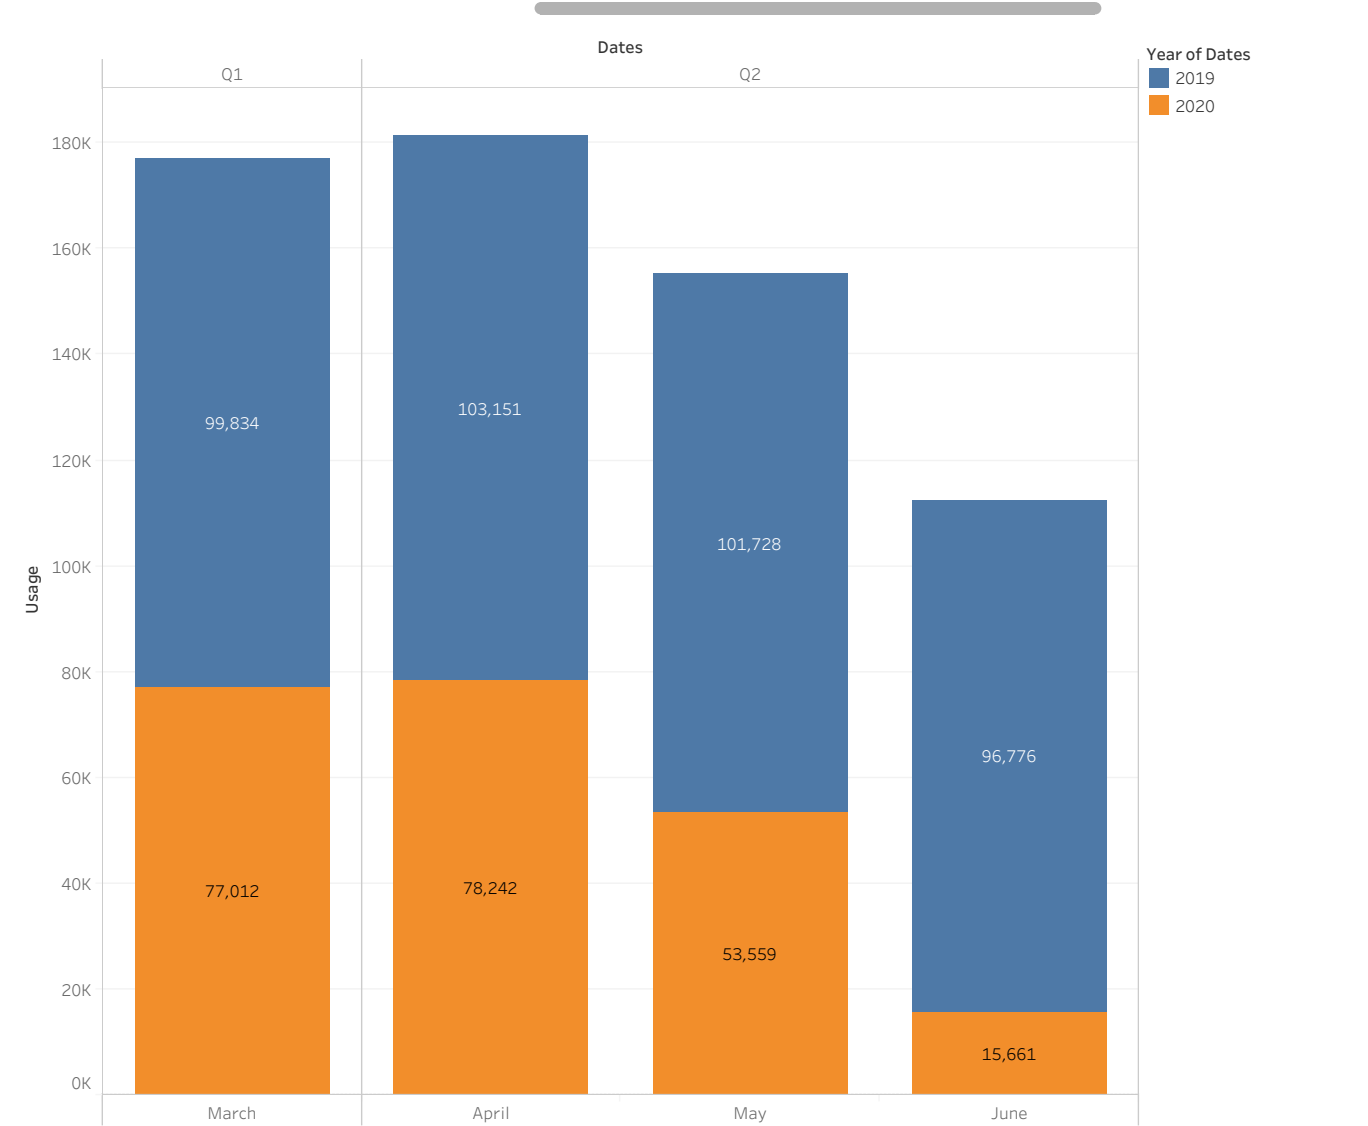

Story 1

Bar plot defines the Bottom Cons..	Plot defines Monthwise Consumpt..	Plot defines Monthwise Consumpt..	Pi-Chart defines the Total Region Consum..	Bar plot defines the Usage before & durin..	List of Top 5 Indian States of Consumptio..	Plot defines Regionwise State C..
------------------------------------	-----------------------------------	-----------------------------------	--	---	---	-----------------------------------

Story 1

Plot defines Monthwise Cons..	Plot defines Monthwise Consumpt..	Pi-Chart defines the Total Region Consum..	Bar plot defines the Usage before & durin..	List of Top 5 Indian States of Consumptio..	Plot defines Regionwise State Con..	Plot defines Quarter wise Usage of Cons..
----------------------------------	--------------------------------------	---	--	--	--	--

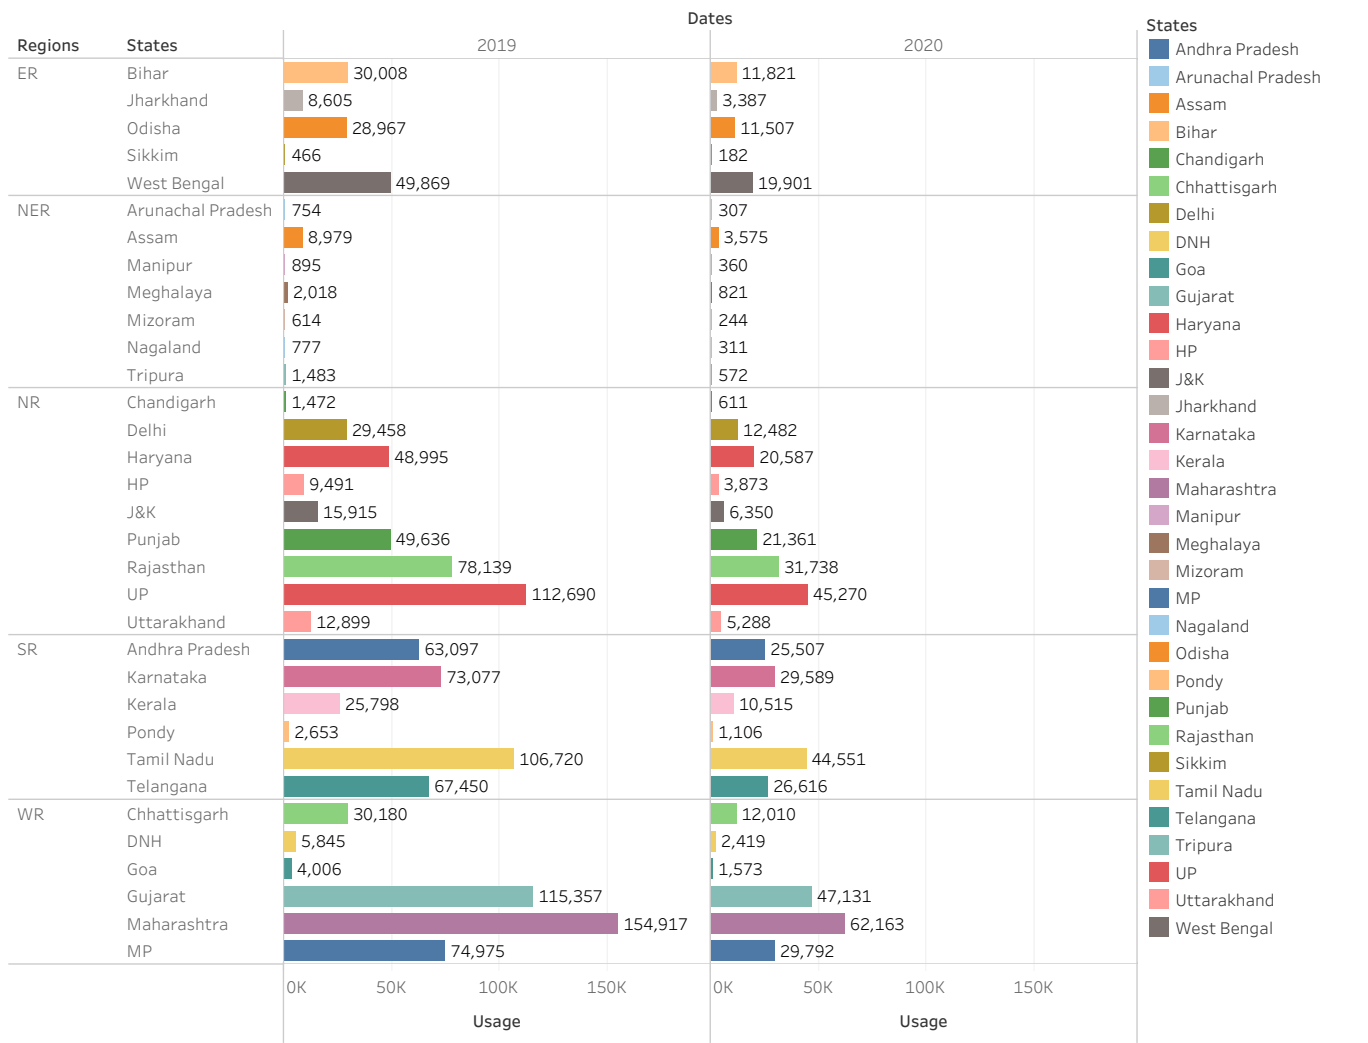

Story 1

Plot defines Monthwise Consu..	Pi-Chart defines the Total Region Consum..	Bar plot defines the Usage before & durin..	List of Top 5 Indian States of Consumptio..	Plot defines Regionwise State Con..	Plot defines Quarter wise Usage of Consu..	Usage of Electricity Consumption is Hig..
-----------------------------------	---	--	--	--	---	--

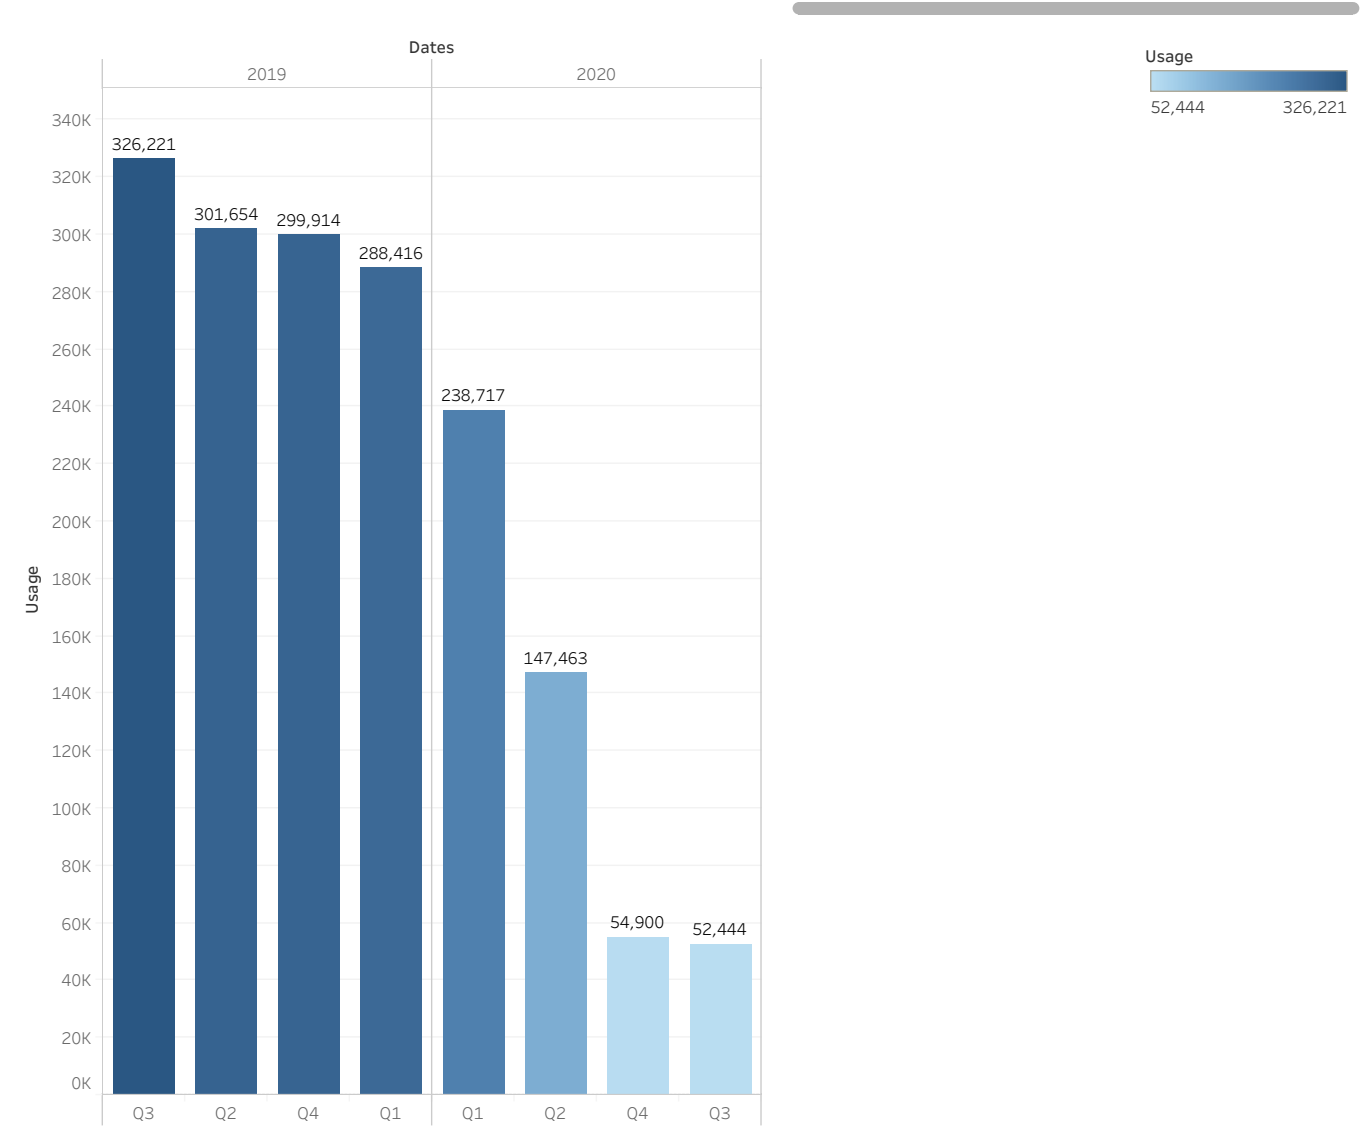

Story 1

Pi-Chart defines the Total Region..	Bar plot defines the Usage before & durin..	List of Top 5 Indian States of Consumptio..	Plot defines Regionwise State Con..	Plot defines Quarter wise Usage of Consu..	Usage of Electricity Consumption is Highe..	Usage of Electricity by the Metro City S..
-------------------------------------	---	---	-------------------------------------	--	---	--

Story 1

Bar plot defines the Usage befor..	List of Top 5 Indian States of Consumptio..	Plot defines Regionwise State Con..	Plot defines Quarter wise Usage of Consu..	Usage of Electricity Consumption is Highe..	Usage of Electricity by the Metro City States	Pi-Chart defines Yearwise Consump..
------------------------------------	---	-------------------------------------	--	---	---	-------------------------------------

Story 1

Bar plot defines the ..

List of Top 5 Indian States of Consumptio..

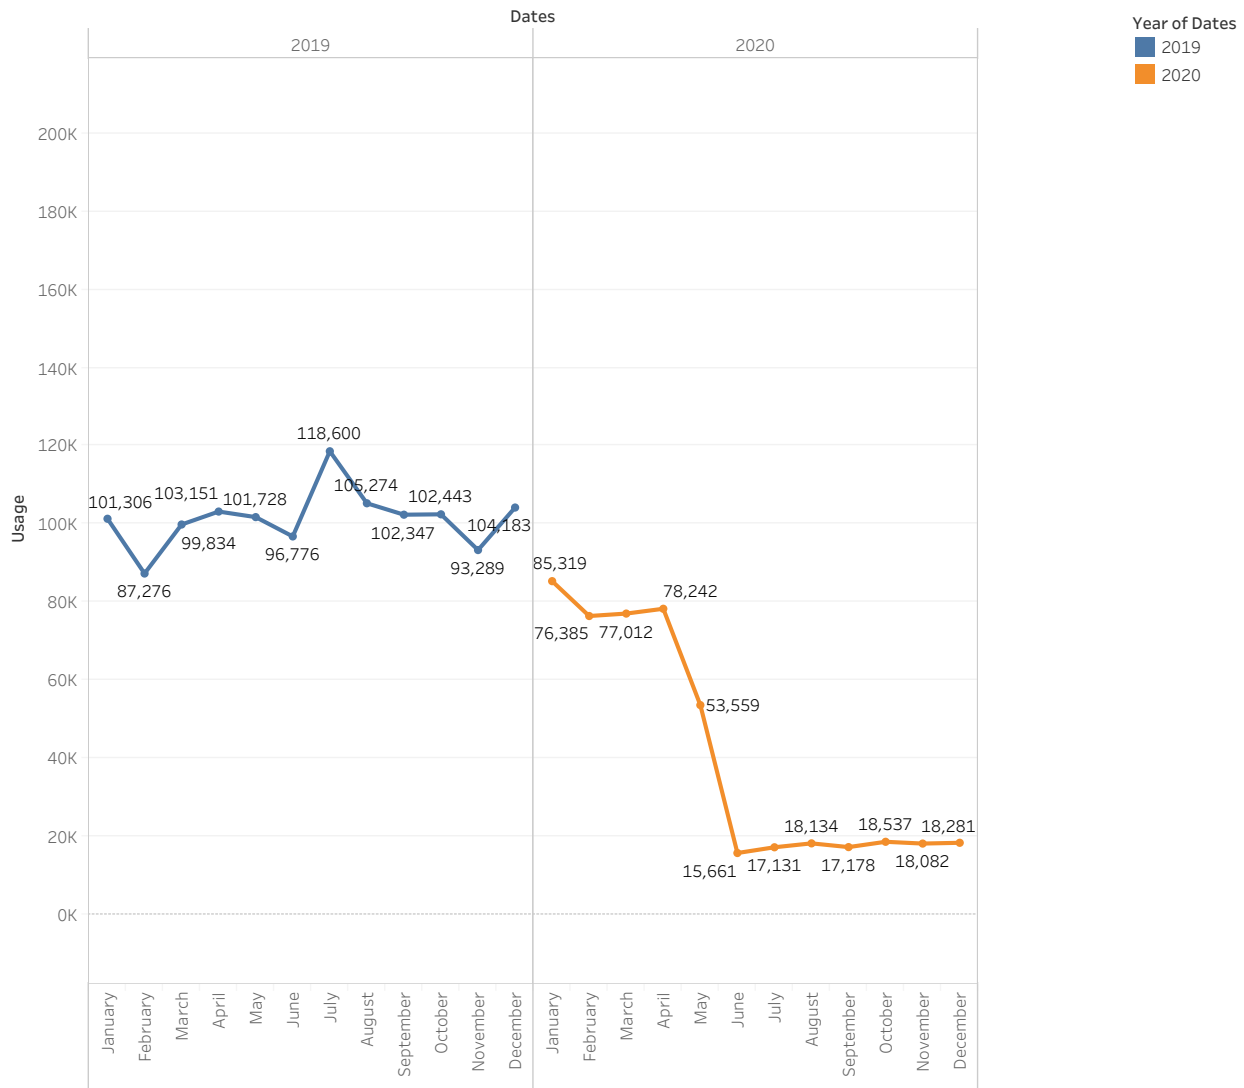

Plot defines Regionwise State Con..

Plot defines Quarter wise Usage of Consu..

Usage of Electricity Consumption is Highe..

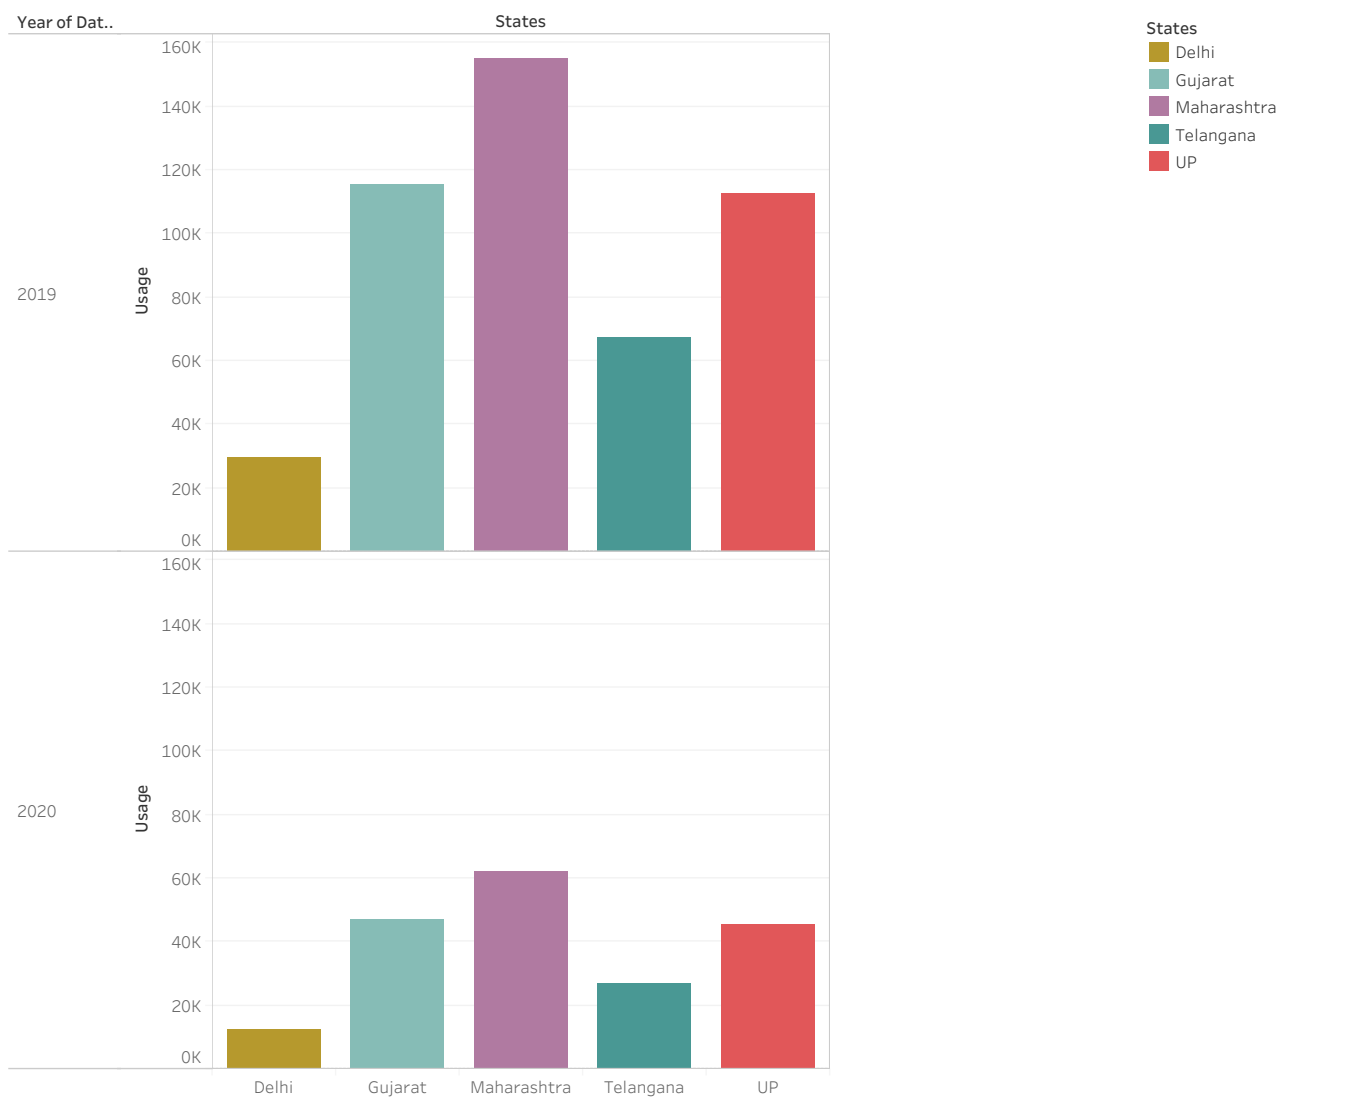

Usage of Electricity by the Metro City States

Pi-Chart defines Yearwise Consumptio..

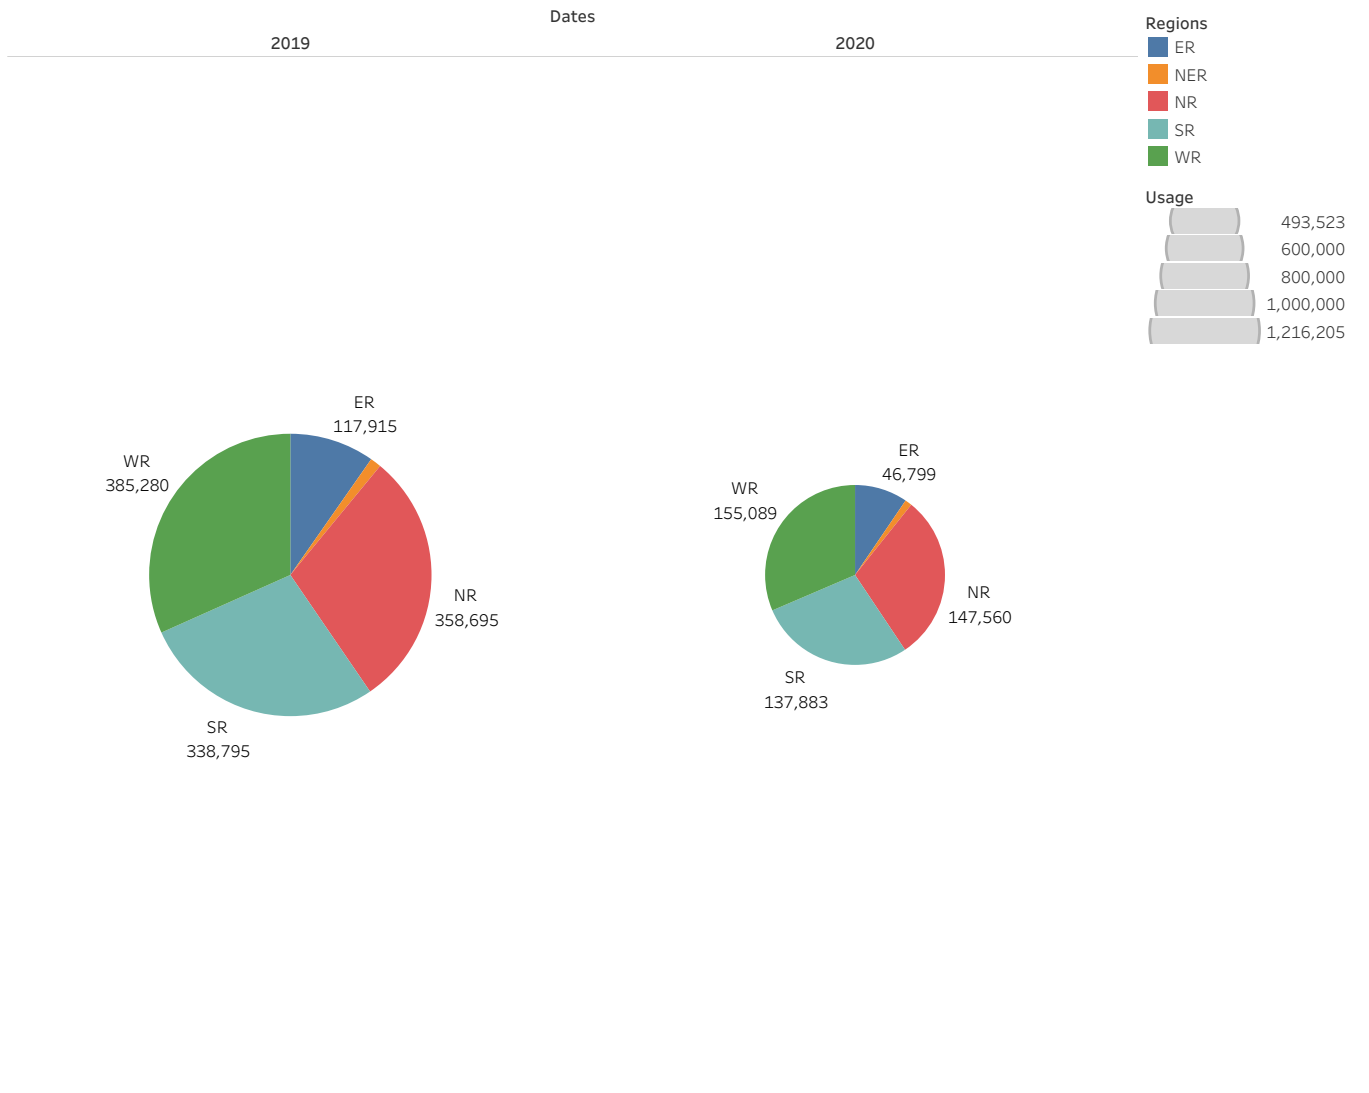

Story 1

Bar plot defines the ..	List of Top 5 Indian States of Consumptio..	Plot defines Regionwise State Con..	Plot defines Quarter wise Usage of Consu..	Usage of Electricity Consumption is Highe..	Usage of Electricity by the Metro City States	Pi-Chart defines Yearwise Consumptio..
-------------------------	---	-------------------------------------	--	---	---	--

Story 1

Bar plot defines the ..	List of Top 5 Indian States of Consumptio..	Plot defines Regionwise State Con..	Plot defines Quarter wise Usage of Consu..	Usage of Electricity Consumption is Highe..	Usage of Electricity by the Metro City States	Pi-Chart defines Yearwise Consumptio..
